

BNSSG Primary Care Apprenticeships Webinar

Running on **Thursday 10th February**, 12.00 - 13.00

[Click here to register](#)

Organised by **BNSSG Training Hub** and **Avon LMC**, and featuring representatives from **Healthier Together** and local healthcare centres, this webinar will provide a succinct overview of the apprenticeships available in primary care.

This webinar will run during **National Apprenticeships Week 2022** on **Thursday 10th February**, from **12.00 - 13.00**, and is open for FREE to all primary care staff interested in learning more.

Content

This event will cover the following:

- **Understanding apprenticeships:** what are they, and what are the benefits?
- **Entry requirements**
- **Non-clinical apprenticeship opportunities in primary care**
- **Nursing development and career pathways:** Levels 1 - 5

Speakers

Speakers include:

- **Richard Francis** (Apprenticeship Project Manager, Healthier Together)
- **Kim Ball** (Placement Expansion Lead for GPNs, BNSSG Training Hub / Co-Director of Nursing, ALMC)
- **Lucy Murrell** (Co-Director of Nursing, ALMC)
- **Keri Magnus** (Advanced Practice Lead, BNSSG Training Hub)
- **And more...**
