

# BNSSG Training Hub Conference 2022

Tuesday 10<sup>th</sup> May | 9.00 - 16.00

**FREE** to attend and to be held face-to-face at:

**Engineers House**, The Promenade, Clifton Down,  
Bristol **BS8 3NB**

## Who is this for?

This event is open to all **general practice** and **primary care staff** in **leadership** and **management roles**, such as PCN managers, practice management, and team leaders.

This is because much of the day's content will highlight what the **Training Hub** can offer **practices**, **PCNs**, and **learners** across the region.

## What will it include?

This event will include talks and workshops on:

- The importance of investing in the development of our people in general practice
- General practice working as an integrated team
- "The Art of Brilliance": Focusing on wellbeing, personal impact, being your best self
- Understanding integrated care systems (ICS's) and place-based partnerships

## Who will be speaking?

Amongst this event's speakers are:

**Dr. Sonali Kinra**, interim **Clinical Associate** in **NHS England** and **NHS Improvement's (NHSE / I's) primary care team**.

**Professor Martin Marshall**, **chair** of the **Royal College of General Practitioners Council (RCGP)** and also the **Professor of Healthcare Improvement** at **University College London (UCL)**.

**Dr. Jeff Farrar QPM**, **Chair (Designate)** of the **Integrated Care Board** for Bristol, North Somerset, and South Gloucestershire.

**Chris Naylor**, **Senior Fellow in Health Policy** for **The King's Fund**.
